

Our Children, Our Community, Believe it can be done!

Headteacher's 'Thought For The Week'

New Year

January, the first month of the year gets its name from the Roman god, Janus or Janarius, who was represented as having two heads and two pairs of eyes, each pair looking in the opposite direction from the other, and each head facing a different direction from each other.

New Year is often a time when we take stock, which is a good thing. It's good to look back over 2015 and trace the good and the bad; learning lessons from both of them. It's also a good time to look forward to a new year of opportunity, of privilege and responsibility.

Let us strive to make 2016 a collective success throughout the Broadway community not only in educational outcomes but also in terms of how we serve each other. The famous business leader and author Robert K. Greenleaf who wrote the international best seller 'Servant Leadership' says that 'Service' ought to be the distinguishing characteristic of leadership. I agree with Greenleaf when he states that Headteacher's and Business Leaders themselves 'would find greater joy in their lives if they raised the servant aspect of their leadership and built more serving institutions'

Can we all endeavour to make 2016 at Broadway Academy a year of service to each other and to the community.

Our Children

Our Community

Believe it can be done.

Happy New Year!

Year 13 - Rock Climbing

At the end of last half term several year 13 pupils went rock climbing with Ms Jeffries, as part of the outdoor education unit of their level 3 BTEC Sport Course.

Titan Initial Teacher Training

Are you interested in starting a rewarding teaching career which will make a difference to children in Birmingham?

Titan ITT are currently recruiting for Early Years, Primary and Secondary courses starting in September 2016, across a variety of subjects. To make an application visit the UCAS website.

For more information about our courses and entry requirements, please visit our website

www.titanteachertraining.co.uk or contact us on 0121 212 4567.

I'm sure you are all aware of how important good attendance at school is. How well your child attends at school can be a major factor in deciding what exam results he or she leaves with.

As ever at Broadway we set the highest possible standards for your children. The overall attendance for pupils at the school has continued to go up for the last six years. This year we have set our highest ever target at 96%.

To allow us to achieve this it is important that as many of our pupils as possible achieve attendance totals of between 96 and 100%.

This means taking little or no time off school.

QUESTION

HOW CAN YOU, AS PARENTS, HELP US TO ACHIEVE THIS TARGET?

ANSWER

- Talk to your child/children about the importance of attending school regularly.
- Don't allow them to take time off unless there are very good reasons for not attending (not feeling well is often an excuse not a real reason).
- Avoid organising holidays abroad in term time (this is against the law anyway).

REWARDS FOR GOOD ATTENDANCE

CERTIFICATES - All pupils will have attendance targets set each term to try and improve on the previous term. Certificates will be awarded to them if they achieve their targets.

FORM PRIZES - The top and most improved forms in the school for attendance will receive certificates and chocolates each week.

LISTS OF PUPILS WITH 96%+ So that all our parents are kept aware of pupils with 96%+ lists of names will be sent home each month. **The first list, based on attendance between September and December can be seen on the next 4 pages.** If your child's name is not on this list please do your best to ensure they are on the next list at the end of January.

PLEASE DO YOUR BEST IN HELPING US TO ACHIEVE THIS TARGET FOR YOUR CHILDREN'S SAKE

PUNCTUALITY

Arriving to school on time is also very important. We want every child to make the most of every minute of their education at Broadway.

LATE POSTCARDS

To keep you informed when your child is late you will be sent a postcard with their name on and the time they came into school. If you do receive one of these try and ensure that your child is not late again so that you do not receive another. An entry goes on your child's/children's school attendance record every time they are late.

Mr S Knight
Assistant Headteacher

Visit to The New Art Gallery, Walsall

A group of pupils from Broadway Academy visited the New Art Gallery in Walsall recently. They took part in a screen printing workshop which was based on an Epstein sculpture featured in the gallery (as pictured). They also had the opportunity to explore the exhibitions and discuss with the gallery's artists, the fascinating pieces of art displayed there.

The pupils thoroughly enjoyed the experience. These are some of the comments they made about their visit:

'This was my first ever visit to any art gallery.

It was awesome!' **Aqib A.**

'I thought it was going to be boring, it was amazing' **Habibur R.**

'I had a fun day. I wasn't expecting it to be so much fun' **Adam A.**

'I have learnt how to do screen printing. I have really enjoyed today' **Mohammed A.**

Visit to the Museum storage centre

Yr 10 art students took part in a visit to a warehouse hidden in the backstreets of Nechells. This storage centre looks like any other factory unit in this part of town, but looks are misleading!!

When entering it is like something out of Indiana Jones and the lost Ark, racking stretches from floor to ceiling housing the most weird and wonderful artefacts from around our local area and further afield. The storage centre houses items from the 5 museums from around the city, which are not currently being used. These include the Central Museum and Art Gallery and Aston Hall.

We had specifically asked to view some of the taxidermy collection they have, focusing on exotic and tropical butterflies and insects. These have been collected from all over the world and catalogue a vast variety of unusual species. Pupils then had opportunity to draw from these fascinating artefacts first hand in the classroom part of the storage centre. Many of the specimens were unusual shapes and colours with striking markings which pupils would not get to experience through secondary sources such as books or Google.

This opportunity will help the pupils answer the recording assessment of their GCSE criteria and develop more realistic and detailed coursework as part of their butterfly and insect unit.

Nechells Museum and storage centre is open to the public the last Friday of the month and is free to attend for the public; it is well worth a visit.

Easter Work Experience Opportunity

Overseas hospital work experience
for aspiring doctors, nurses and midwives

Supported by UK Doctors 

Future Medical Student,

Due to demand we have opened up five additional work experience placement opportunities for aspiring medics. Students aged 16-19 can join our two week hospital work experience camp based at Project India over Easter 2016.

Here is what is included in our project:

- 50 hours hospital work experience
- Medical school interview training
- Structured clinical examination training
- Personal mentorship
- A personal development portfolio
- All accommodation, food and in-country transport
- Supervised 24/7 by Medical Projects staff

Our medical camp runs for two weeks during the Easter Half Term to ensure you do not miss any school time. We have spaces for the following dates:

- 27th March - 10th April 2016 (5 new spaces available)

For more information or to book one of the remaining places please visit:

www.medicalprojects.co.uk/work-experience.

Medical Projects is a limited company registered in England and Wales No. 09436506.

Overseas hospital work experience for aspiring doctors, nurses and midwives.

Yours sincerely,
Mark Williams

Important Safety Message

Our partners who operate bus, rail and Metro services have asked us to remind West Midlands students to be extra cautious about leaving school bags on their services.

With the current nationwide threat level set at 'Severe' it is especially important for students to be mindful of lost property.

There have been a number of recently reported incidents of bags being left on public transport by students.

We do not wish to alarm your pupils but ask that you pass on our advice to make sure they take their property with them when leaving public transport services.

Due to the current sensitive climate we are in, an innocuous issue such as lost property can still have a negative effect on public perception of safety, traffic, services running punctually and of course Police time.

The Safer Travel Partnership is made up of West Midlands Police, British Transport Police, Centro and Transport Operators. The aim of the partnership is to assist in making public transport even safer.

To report incidents of a criminal nature, passengers can call West Midlands Police on 0845 113 5000 or in event of an emergency via 999.

Kind regards

Paula Shortland
Sustainable Travel Officer (Education and Community)

Values Focus of the Week

NEW YEAR: NEW VALUES?

New year is a time of reflection and change; to examine how small behavioural changes can make a big difference; to reflect on positive changes for yourself.

It is the start of a new term and the start of a new year, a time of new beginnings. At the start of a new year, people often make a promise to themselves to change things in their life—this is called: 'making resolutions.'

Most people make resolutions with the very best of intentions but find it difficult to stick to them!

So what can you do to show change for the better in 2016? Last term, last year the VALUES FOCUS of the week enabled you to discover what the Broadway Core Values are and why they are important. Each focus of the week asked you to reflect on and put into action an aspect of a particular value: how this related to your school life and in your character development.

These values are for life not just for January! As the saying goes: **'KEEP CALM AND CARRY ON!'**

Putting our core values into action and modelling them is what will change things for the better— for you, for the school and for the community we live in.

This Week's Golden Words

The object of a New Year is not that we should have a new year. It is that we should have a new soul.'

G.K. CHESTERTON
