

Our Children, Our Community, Believe it can be done!

Headteacher's 'Thought For The Week'

Dear Parents, Students and members of Broadway community,

I have shared the first page of the Ofsted report from the recent inspection. Thank you for all your support.

Dear Mr Skelton

Short inspection of Broadway Academy
Following my visit to the school on 2 February 2016 with Rob Steed, Ofsted Inspector, I write on behalf of Her Majesty's Chief Inspector of Education, Children's Services and Skills to report the inspection findings. The visit was the first short inspection carried out since your predecessor school was judged to be good in January 2011.

This school continues to be good.

The leadership team has developed and enhanced the good quality of education in the school since your predecessor school's last inspection. Parents, members of the local community, pupils, staff and governors fully believe in your motto 'Our children, Our community, Believe it can be done!' You and your team continue to have high expectations of, and aspirations for, your pupils and staff. You succeed in making sure pupils feel safe and are safe in the school. You and the team rigorously monitor the quality of teaching and its impact on pupils' learning and progress. As a result, a large majority of pupils do well socially and academically. For example, by the end of Key Stage 4, pupils make significant progress in English and science and achieve well in English literature. In the sixth form, learners do well in law, chemistry, psychology and sociology. In addition, pupils and learners are well prepared for the next stage of their education, training or employment.

The Broadway values of 'integrity, respect, optimism, responsibility, appreciation, aspiration, generosity and inclusivity' permeate the life of the school and result in a mostly calm and purposeful atmosphere.

Your work with the local community and with different faith groups ensures pupils have a sound understanding of different traditions, beliefs and values. The way in which you develop pupils' spiritual, moral, social and cultural understanding and appreciation is a strength of the school. Pupils and staff model fundamental British values, for example in how they respect individual liberty and the

rule of law...

Yours sincerely

Peter Humphries

Her Majesty's Inspector

The rest of the report can be found on the school website under information and Ofsted reports.

I look forward to working with you all to continue to develop and enhance the quality of education your children receive at Broadway Academy.

Best wishes

Mr Skelton

Visit from Tom Moorhouse

On Thursday 11th Feb, years 7 and 8 were lucky enough to have a visit from author Tom Moorhouse. Tom is also an ecologist and uses his love of animals as inspiration for his novels. He spoke to our pupils about his passion for the environment, writing and about creating successful characters. The pupils thoroughly enjoyed hearing about Tom's animal adventures and they had lots of thoughtful questions for him.

After the talk, a small group of pupils took part in a workshop with Tom. During this workshop, pupils got to create and develop animal characters and start writing animal stories.

Tom was very impressed with some of the ideas generated and was very complimentary about our pupils.

Year 9 Boys Football

Year 9 boys vs Heartlands Academy 9th Feb,

On Tuesday year 9 boys travelled for their first away fixture this season to Heartlands Academy. The boys were hoping their first win of the season could help them build momentum in the game. This proved to be the case as we took an early lead with some very smart thinking from Kieran and Bilal to take a quick free kick and pass it to Kasib who had an easy tap in from a couple of yards. After the goal we kept up the pressure and some great defensive and attacking work from left back Latif (Man of Match) led to a corner. Yet again a great delivery from Saif (who worked his socks off all game) was met by a bullet header from Mahir who headed into the top corner. Half time 2 - 0. After a couple of changes at half time Heartlands came out of the blocks sharper and faster, this pressure was rewarded when they created a very well worked goal to give Chohan no chance of saving it. As the pitch was huge we were now struggling and getting tired, but fair play to the boys who managed to set Kieran free, he worked a shot, hitting the post where Bilal was ready to rebound from a couple of yards. The lads are really enjoying their football at the moment. It must be down to the change in mentality under the new manager, 2 wins from 2.

EL CARNAVAL

En España el carnaval se celebra en el mes de febrero. Cada año varía dependiendo de la cuaresma (40 días antes de la semana santa). Todo el mundo se disfraza y sale a la calle. En todas las ciudades hay un pasacalle con música. La gente canta chirigotas (canciones relacionadas con temas de la sociedad y con un toque de humor). El carnaval más conocido es el de Tenerife y Cádiz.

People sing "chirigotas" (songs related to society topics with a touch of humour). The most known Carnival is the one from Tenerife and Cádiz.

96% Attendance and above to February Half Term

In the first newsletter of the year we let you know which of our pupils had achieved the school target of 96% by the end of the Autumn term. This included all pupils with an attendance of between 96% and 100%.

I am pleased to be able to report that the number of pupils who have an attendance of 96% and above has increased. Please see if your child's name appears on the list of attendances from September to February half term.

Another list will be circulated at the end of term in March. If your child is on the list please encourage them to ensure they stay there. Those who are not on the list are asked to try and improve their attendance enough to go on. Remember just one day off can reduce their percentage significantly.

Thanks
