

Our Children, Our Community, Believe it can be done!

Headteacher's 'Thought for the week'

I wish all our readers a peaceful and restful Easter break.

Staff and students at Broadway are all working very hard to ensure the exam results are excellent this year - carefully targeted students are in revision classes every day during the Easter holidays!

The extracurricular programme continues to be exceptional. Last weekend I visited 39 Broadway students on their Duke of Edinburgh expedition to Cannock Chase. Broadway students are great ambassadors, delightful and a credit to you as parents; it is wonderful to see our students involved in wholesome activity in the outdoors. I would like to see every single student at Broadway Academy involving themselves in some way with the D of E.

At Broadway, we continue to ensure the safety of our students comes first; please monitor your children's use of the internet and social media. I believe as a parent and as a Headteacher this is a huge challenge for all of us as we try to ensure that our children grow up to be healthy, emotionally stable and well-adjusted young men and women. Never before have the challenges around inappropriate websites and the use of social media been such an issue - we need to work together to tackle this epidemic!

Finally, after a very busy term I would like to continue to thank you for your support; it was heartening that Ofsted in February told me that 'Parents, members of the local community, pupils, staff and governors fully believe in your motto 'Our children, Our community, Believe it can be done!'

Thank you
Mr Skelton

Year 9 boys' football

Broadway vs Nishkam (21st March)

Monday saw us host Nishkam High in what we have renamed the fortress due to our recent unbeaten run. A few changes to team selection meant most of our players had a chance to play. The game started quite fairly with both teams creating a few chances but with ourselves guilty of missing the better of the chances. Goals were soon to flow though with us taking the lead and within 10 minutes tripling our advantage to make it 3 - 0 at half time. A few tactical changes at half time meant we came out stronger and this proved to be a genius piece of management as we dominated the game, Nishkam set out their stall in order to stop us playing. We were guilty of playing too much like Arsenal and trying to walk the ball into the goal. As the second half moved on it was hardly end to end stuff and we camped in the Nishkam half adding 7 more goals in the second half to make the full time score 10 - 0. The lads deserve so much praise after losing their first 5 games of the season to bounce back and go on a 5 game winning streak.

Sport Relief Mile

This half term the PE department took part in their very own version of the Sport Relief Mile. The lack of space to take part in the event didn't stop the PE department or the students getting involved! We decided to mark out a route on the school site for the students to walk, hop, skip, jump, piggy back, conga or 3 legged walk round! Students donated spare change in lessons and some students paid £1 to wear their own sports kit for their PE lesson. Many thanks for getting involved and making a difference to the lives of other people.

Girls inter-house dodge ball competition

Year 7 girls' inter-house dodge ball competition held on Monday 21st March

Winners - Boulton B Runners Up - Austin A

Year 9 girls' inter-house dodge ball competition held on Wednesday 23rd March

Winners - Boulton B Runners Up - Chamberlain A

Well done to all the girls - they all worked hard and had fun!

This Girl Can

On Thursday 22nd March, all the girls at the Academy had the opportunity to take part in a This Girl Can campaign that promotes the benefits of physical activity and that it can also be fun to exercise. Over the course of the day different year groups came down to PE and swapped their shoes for roller skates and then took part in their very own roller disco! Lots of the girls had never roller skated before but they didn't let that stop them and despite falling over the girls got straight back onto their wheels and carried on! The day finished off with 90 students staying after school for the after school roller disco! Many thanks to those teachers that supported the event and a big thank you to Mr Skelton for allowing the day to happen!

Values focus of the week

ASPIRATION FOR ALL

Do you believe you can achieve?

- We need to learn how to dream.
- Keep the dream alive, reach your goals.
- Some people don't decide to have a vision of what they want out of life. NO GOALS!
- People with aspirations / goals can see what they eventually want to achieve and they can see just how to get there.

THIS WEEK'S GOLDEN WORDS

Let no one steal your dreams.

Let no one tear apart the burning of ambition
That fires the drive inside your heart.

Let no one steal your dreams

Let no one tell you that you can't

Let no one hold you back

Let no one tell you that you won't.

Set your sights and keep them fired

Set your sights on high.

Let no one steal your dreams

Your only limit is the sky.

Let no one steal your dreams

Follow your heart

Follow your soul

For only when you follow them

Will you feel truly whole.

School Uniform

The Broadway Academy uniform shows that pupils are part of an organisation. Wearing it says "we're all in this together" and are part of Team Broadway. Also, if you wear your uniform with pride, it means you are half way there to being respectful; buying into what the organisation is all about. Uniforms also give students a sense of belonging and create an identity for the school in the community. On that note, please note that "Hooded Jumpers", Caps or Trainers are not part of the Broadway uniform policy.

Examples of Hooded Jumpers/Jackets NOT permitted:

Examples of outdoor coats permitted:

Examples of footwear NOT permitted:

Examples of footwear permitted:

Many thanks for your continued support.

Mr D Chauhan - Deputy Headteacher

WHAT IS THE FEAST?

The Feast is a Christian charity based in Birmingham, working to enable young people of different faiths to become confident to meet up, enjoy each other's company, discuss their faith appropriately and live peacefully with each other by forming real friendships. We work in partnership with local schools, youth groups and with members of different faith communities.

THE DETAILS

Please note, because of the high demand for places, we cannot guarantee that your child will get on all the events they wish to attend. We will do our best to be fair, and we want to include as many first-timers as we can. Once the applications have been sent out, places will be given on a first-come, first-served basis. We do strive to have a mix of faiths represented at events where possible.

Like what you see? Registering is easy as 1,2,3! And it's FREE!!

Step 1 – check which activities are suitable for you and choose the ones you'd like to come to, in order of preference.

Step 2 – Download the application form from our website or call the office. If there are spaces left we'll send you a consent form.

Step 3 – return your consent form with your deposit immediately to secure your place.

If we receive your consent form and your refundable deposit on time then you're in! We'll confirm your booking and send any other relevant information about your activity. Spaces not secured on time will be opened up again and offered to someone else.

Question:

How much could you save if you entitled to free school meals in a year? (please circle)

£10 £100 £300

Taylor Shaw

Seeing food differently

SEEING FOOD DIFFERENTLY

Taylor Shaw would like to welcome you to your new catering service, starting on April 11th, with new products and a nutritional balanced HMC Menus. We will be introducing a new coffee bar with new offers and best of all the tariff will reduce!

Who is Taylor Shaw?

Taylor Shaw is a successful catering company with over 20 years' experience providing high quality catering services to both state and public schools nationwide.

BROADWAY ACADEMY

MAKING FOOD FUN AND GETTING INVOLVED

We will be introducing taster sessions, theme days linked to the curriculum, SNAG's (School Nutrition Action Groups) and fun, healthy eating assemblies. All this allows you not only to try new foods but also have fun.

Look out for some great offers, savings and promotions in your dining room

THE BIGGER ISSUES

By choosing school food together we can have a positive impact on local suppliers, animal welfare and above all, our environment. School food, local food, animal welfare issues and our environment are all interconnected.

HEALTHY CHILDREN, HEALTHY ADULTS

In the UK 25% of boys and 33% of girls aged between two and 19 years are overweight or obese!

Avoid salty processed foods...

Research shows that what we eat in the early stages of life and childhood affects our health outcomes in later life. School meals are proven to:

- Promote a varied diet
- Be on average, nutritionally better than packed lunches
- Improve social skills, eating habits and tastes
- Academic attainment - linked to improved concentration at school

Special Diets

Catering for pupils with special diets is a very important part of the School Food Service and will be supported by our company Nutritionist. If you have a special dietary requirement (supported by a Medical Practitioner) this can be provided for - your school will be able to assist.

Free School Meals

One study has shown that children in secondary schools were three times more likely to concentrate in the classroom following improvements to the food and dining room.

Is your child entitled to a free school meal? If they are, you could be saving around £10 per week - that's a saving of over £300 per year!

At Taylor Shaw we use only HMC Halal meat from our local suppliers, Spicetime and Chicken Joe's. You can trust that your child is having an accredited halal butcher with all certifications available on request.
