Headteacher of Broadway Academy, The Broadway, Birmingham B20 3DP

Our Children, Our Community, Believe it can be done!

Headteacher's 'Thought For The Week'

Thank you to all parents for your support.

Wishing you all a very happy summer.

September start times here

For your information the dates and times of our start in September are as follows:

Tuesday 6th September Year 7 only - 8.40am start

Wednesday 7th September Years 7 - 13 - 8.40am start

Year 12 have a two day induction at Aston University on 5th and 6th September 2016.

Activity afternoons a hit with students!

Last week all students in Years 7-10 had the opportunity to take part in a series of activities for the afternoon. Overall there were 15 activities on offer from a variety of subjects including PE, Drama, Food Technology, Art, Science, Humanities, Maths and English.

The vast majority of students opted for sport and were transported to the Sports Hub at Holford Drive to take part in Football, Cricket, Tennis, Dance, Boxing or Table Tennis. Some pupils even enjoyed the inflatable assault course that was kindly provided for us! The activities were fun and competitive with sports coaches commenting on the positive attitude and behaviour of the students across the 4 days.

Back in school, there was a vast array of activities going on including cake baking, mural painting, rocket making and acting workshops.

This week highlighted some of the amazing talent we have at Broadway. Both staff and pupils deserve to be congratulated for their part in a hugely successful programme.

Pokémon Go is a game where you collect and trade cute creatures called Pokémon (Pocket Monsters).

It's one of the first popular games to use "augmented reality" - a kind of cross between real life and an online world. The game makes it look like Pokémon appear in real life places by using the GPS and camera on your phone.

It's already become a craze in Australia and America, and has made it's way into the news across the world. Here, we'll take you through what you need to know about the game and how you can help keep children using the app safe.

Pokémon Go explained

Pokémon

Pokémon (Pocket Monsters) are little creatures that can be captured by Pokémon Trainers using a small spherical device called a Poké Ball. There are different types of Pokémon, with different moves, abilities and stats. The aim of the game is to capture as many Pokémon and to win as many 'gyms' as you can to become the Pokémon Master.

Pokémon Gyms

Pokémon Gyms are buildings located throughout the world where Pokémon Trainers can train and compete. Pokémon Gyms are usually located in public meeting spots, like parks or churches and memorials. This is done using a Google-style in-game map that shows you where the Pokémon and locations are in your real life location

Poké Ball

The Poké Ball is a spherical device used to capture Pokémon. The Poké Ball is thrown at Pokémon and when it hits them, the Pokémon are sucked inside.

Pokédex

Pokédex is an electronic device which stores the data of Pokémon once they're captured. The Pokémon Trainer must attempt to fill the Pokédex by capturing the different types of Pokémon.

The risks

There are loads of good things about the game, and there's a reason it's become so popular. But it's important to learn the risks involved:

Meeting people they don't know face-to-face The game is designed to bring people together. Usually strangers. So you never know who they might meet.

There's a physical risk It's easy to forget to look where you're going with this game, but they need to be careful of where they end up. There are already stories of people being lured to places that aren't safe for children.

It can cost a lot of money There are in-app purchases and other incentives which can cost up to £79.99 (14,500

Pokécoins). Make sure the app's set up without payment options.

Access to personal data Pokémon Go asks for personal information like your child's birth date and email address, which they're asked to enter or receive through social media accounts. Parents have the right to contact the creators to stop them from using their personal information.

Top tips for staying safe

EXPLORE TOGETHER

With younger children, you might want to play the game together, and explore how it works. Older children may want to play alone but it's important to let them know the risks.

SET THE GROUND RULES

Talk to your children about the risks of meeting strangers and ending up in areas they don't know. Set some boundaries such as:

- take a battery pack, the game drains phone battery and this will avoid them getting lost without a phone
- stay with friends
- watch out for others - people can get competitive!
- establish where they'll be playing.

TURN OFF IN APP PURCHASING

To avoid unexpected bills, check that your child's app permissions are set correctly.

- **Apple products:**
Set up Family Sharing and Ask to Buy, which allows your child to request to purchase before it comes to you for approval.
- **Find this on:** Settings > iCloud > Family and tap your family member's name, before tapping Ask to Buy.
- **Android:**
Set up a family group which includes adding a payment method with your chosen payee.
- **Find this on:** Subscribe > Family > Set up family > Get started

PROTECT YOUR CHILD'S PERSONAL DATA

In order to sign up, your child has to enter their date of birth and their email address.

However, parents can request that these details are kept safe. Details on how to do this are on their privacy policy

S.K CHAGGAR

DESIGNATED SAFEGUARDING LEAD

School Uniform

The Broadway Academy uniform shows that pupils are part of an organisation. Wearing it says "we're all in this together" and are part of Team Broadway. Also, if you wear your uniform with pride, it means you are half way there to being respectful; buying into what the organisation is all about. Uniforms also give students a sense of belonging and create an identity for the school in the community. On that note, please note that "Hooded Jumpers", Caps or Trainers are not part of the Broadway uniform policy.

Examples of Hooded Jumpers/Jackets NOT permitted:

Examples of outdoor coats permitted:

Examples of footwear NOT permitted:

Examples of footwear permitted:
